Power shortage in Eastern India

1026. MS. SUSHILA TIRIYA: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that eastern India once had surplus power and is now on the verge of major crisis;

(b) if so, the reasons therefor; and

(c) the steps taken in this regard?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) to (c) The Surplus power used to be available on a sustained basis in the Eastern Region (ER). During the current year, (April, 2007 to January, 2008) the energy and peak shortage in the Eastern Region has been of the order of 4.6% and 6% respectively. As compared to the Eastern Region the energy and peak shortage in the country as a whole is of the order of 9% and 15.2% respectively. The main reasons for shortage of power in the Eastern Region are inadequate capacity addition within the Region vis-a-vis the growth in demand, poor performance of generating units in some of the States and reduced availability of power during the winter months due to reduction to water inflows into Tala Hydro Power Stations.

After meeting held in the Central Electricity Authority (CEA) with the constituent States/Utilities of the Eastern Region at New Delhi on 30th January, 2008, the CEA has forwarded detailed recommendations to the Ministry of Power, which are given below:

(i) 153 MW of Tala unallocated power may be continued to Northern Region.

(ii) Restoration of 343 MW from Farakka and Kahalgaon Stage-I to Eastern Region Constituents by equivalent diversion (of 343 MW) from Kahalgaon State-II be done in phases as and when Kahalgaon-II units 5,6 and 7 become operational.

(iii) 150 MW from Kejia Unit 5 may be supplied by DVC to command area/Jharkhand/ West Bengal immediately on commissioning of the Unit.

(iv) 150 MW from Mejia Unit 6 after commissioning of the Unit may be swapped with Kahalgaon State-I and Farakka Power.

Power Sharing Agreement

1027. SHRI O.T. LEPCHA:
SHRI SANTOSH BAGRODIA:

Will the Minister of POWER be pleased to state:

(a) whether any agreement was signed between the Union Government and the State Governments of Punjab, Haryana and Rajasthan regarding sharing of power generated in hydel power projects of Punjab;

(b) if so, whether the share of Rajasthan has been finalized in respect of projects covered under the agreement;

(c) if not, the reasons therefor;

(d) whether the Union Government proposes to refer the claims of Rajasthan for power sharing in hydel project of Punjab to the Supreme Court; and

(e) if not, the reasons therefor and the steps being taken to expedite the finalization of Rajasthan's share in the projects mentioned in the agreement?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) to (e) An agreement was reached between the States of Punjab, Haryana & Rajasthan and Government of India on 10.05.1984 wherein it was agreed that in view of the claims raised by Haryana & Rajasthan for sharing of power in Anandpur Sahib Hydel Project, Mukerian Hydel Project, Thein Dam project, UBDC State-II and Shahpur Kandi hydel Scheme, the Government of India shall refer
